

From Concept to Reality: SWeNT Relocating to New Plant

Less than a year after breaking ground, SWeNT's 18,000-square-foot manufacturing facility is complete. All operations will move to the new location this month.

SWeNT Names CFO

John Whorton has joined SWeNT as CFO. Whorton, a CPA, has more than 30 years professional experience in both corporate and entrepreneurial settings in a variety of industries, including business services, manufacturing, energy and life sciences regulatory compliance. This experience includes multiple start-up business units in both capital-intensive and service organizations.

Whorton has served in such corporate capacities as president, CEO, vice president marketing and sales, and chief financial officer. He has raised significant capital in equity and debt placements in both the public and private markets and has negotiated numerous joint ventures and strategic alliances. Most recently, Whorton served as an enterprise director for i2E, a private not-for-profit Oklahoma corporation focused on wealth creation by growing the technology-based entrepreneurial economy within the state.

He holds a bachelor's degree in accounting from Oklahoma City University.
